Subject: Revision of the scale of pay of sweepers at Bangalore Minor Municipality

I have the honour to state on the representation of the sweepers of the Bangalore Minor Municipality the local Municipal Council have resolved at their meeting held on 30-4-45 that the pay of the sweepers and the office peon may be increased as proposed in the margin. It is reported that the sweepers are finding it hard to make both ends meet with their present pay and it is necessary by way of enhancement of their pay in the present rise of cost of living as a proximity of Bangalore to Bangalore. The total increase resulting from the above proposal would be 132/- per year. The Municipal Council have resolved to make provision in the budget from the year 1945-46 onwards to meet this extra cost. The local officers support the Council's application while the Municipal Council in their resolution of pay to sweepers is enclosed by Government in the case of Fairbank Minor Municipality. In these circumstances I am requested that sanction of Government may be kindly obtained for the revision of pay of the sweepers as proposed by Bangalore Minor Municipality
